CUSTOM MAPS – CHARGES BY LAYER/TIME

Any map request requiring a large number of layers, or maps that are not pre-prepared, will be regarded as custom maps. This includes maps of specific neighborhoods, areas, districts, or other features. Custom Map Plots are the same cost as the county-wide maps above except that custom maps incur a \$40.00-per-hour charge for the GIS staff to develop.

WHEN NEEDED _____

(Please allow 72 hours unless approved otherwise)

All maps must be picked up and paid for before 4:30pm Mon. – Fri. to receive a receipt.
